# LETTER FROM OUR *President*

I hope many of you will be able to make it to our meeting just a little bit earlier this month. Beginning at 10:30 AM, on our normal meeting day, MCRW will be hosting an Orientation featuring our various committees. Each committee chair will have a small display set up and you will have the opportunity to look at the exhibits and learn more about the committees. Perhaps, after learning about the committees, you might want to volunteer your services. This is a great opportunity to learn more about MCRW.

Our rough draft of our Membership Directory was emailed to our membership for 2021 and 2022. After corrections are made, the final edition of the directory will be emailed to our 2022 members. If you wish to purchase a directory, you will be able to place an order at our April meeting.

Our contact list has been updated to only reflect those who have paid dues for 2022. This means that anyone who did not renew membership for this year, has been dropped from our email list and will not receive newsletters, meeting announcements, and email blasts after April 15. If you know of anyone who was dropped for this reason, please let her know that she can be reinstated to our email list once we receive payment for 2022 dues. We hate to see anyone drop from our membership. Every member is important to us!

Now the good news! Because our membership directory rough draft has been emailed to all members in order for them to proof for any errors in the contact information, members will no longer be required to type in their addresses in our reservation email. We now know that our treasurer has the correct information for our PAC report and TFRW has the correct information to send on to NFRW. Thank you all for understanding why we needed to go through this process.

Our Volunteer Political Activities Hours are now due to TFRW. Please email your volunteer hours to Pearl Maggio. There is a graphic in this newsletter that will explain some of those hours that you can submit, so be thinking all the way back to January 1 and start adding up those hours.

Thank you to those who volunteered to work on the TFRW postcard campaign. We will have postcards to mail out to over 500 registered women voters in our area. I am anxious to see what the response will be to our mail out. The project involves putting labels on the postcards. Contact our Membership Vice President, Cindy Miller, at [Cindymiller2005@gmail.com](mailto:Cindymiller2005@gmail.com) if you wish to volunteer to help with this project.

Once the primaries are over and we are gear up for the General Election, we need to be united behind our Republican candidates. Think about how you want to get involved in this election. How can you work to keep Texas red? We will be inviting our Montgomery County Republican candidates who have opponents in the General Election to speak to us at our May meeting. You might learn of a volunteer opportunity that interests you at that time.

I look forward to seeing all of you at our April Meeting as we hear from Senator Brandon Creighton. We always learn so much when he visits us and I love his campaign slogan, "Let Texas Run Texas". Frankly, sometimes I think, "Let Texas run the United States of America".  
Happy Spring!

**Alice Melancon**

## Brandon Creighton Texas Senate, District 4

Raised on a working ranch, and the youngest of 4 children, Brandon was taught the values of hard work, personal responsibility and the importance of faith. Brandon put himself through UT Austin working as an electrician's helper at Texaco Chemical plant and as a policy advisor in the Texas Senate. Prior to running for a seat in the Texas House of Representatives, Creighton worked as an investigator for the Texas Attorney General and as a brief writer for the Oklahoma Attorney General.

As a member of the Texas House, Creighton built a reputation as a conservative leader, and led a national movement among state legislatures to reclaim and reaffirm state sover-

eignty, pushing back against unconstitutional federal overreach from Washington, D.C.

Creighton was chosen among his colleagues to lead the largest Republican majority of House Members in the nation, continuing to advance conservative Texas policies. RedState named Creighton 'The man who kept Obamacare out of Texas' during his time as the Republican Caucus Chairman.

In the Texas Senate, Creighton has continued his work as a key member of Senate Finance, delivering balanced budgets and funding sources for actual border solutions. And most recently, Creighton was appointed to lead

both the Senate Committees on Public Education and Higher Education, joining two consequential committees that will advance bold reforms for the future of Texas and ensuring the next generation is prepared for a 21st century economy. Brandon also serves as Chairman of the Senate Select Committee on Ports, and is a member of numerous committees including Business and Commerce, Jurisprudence, Water, Agriculture and Rural Affairs and the Select Committee on Constitutional Issues.

Best known for his trademark, Let Texas Run Texas, Creighton was recently ranked the most conservative in the Texas Senate.

# February Meeting

## GENERAL MEETING MINUTES MONTGOMERY COUNTY REPUBLICAN WOMEN River Plantation Golf Club March 24, 2022

President Alice Melancon called the meeting to order at 11:30 a.m. with 47 members and 11 guests present. After the PRAYER AND PLEDGES to our flags led by Virginia Miller (Americanism/Chaplain), Alice welcomed everyone to the meeting. She recognized elected officials, candidates for office and other guests. The February meeting MINUTES were approved as printed; the TREASURER'S REPORT was approved for financial review.

In the PRESIDENT'S COMMENTS, Alice thanked the candidates for office for their efforts. She also read from the excellent speech given by Senator John Kennedy from Louisiana at the recent CPAC meeting. In addition, she said that MCRW is accepting gift cards from club members through next month's meeting to go to God's Garage for the veterans' wives who need assistance with automobile repairs. Mary Lea Kirk (Treasurer) reported that the Financial Review Committee, after conducting a review of the MCRW finances for 2021, concluded that, overall, the financial records for the club appear to be in good order. She has given Alice The Financial Review Committee Report for the year ended December 31, 2021.

Concerning MEMBERSHIP, Cindy Miller (VP/Membership) thanked everyone who helped her contact members and prospective members in order to increase our membership numbers. She reported that we are now a Jumbo club with 104 full mem-

bers and 45 associate members. She encouraged those members who haven't yet paid their dues for 2022 to please do so.

In COMMITTEE REPORTS, Alice began by saying that all our high schools now have applications for our two \$1000 scholarships we award to deserving seniors going to college in the fall. She also reminded members about the awards luncheon to be held for the area Women of Distinction on May 6th at the Marriott. Our MCRW honoree is Mary Lea Kirk. Marisa Rummell (Community Engagement) introduced Marianna Maguire, President of Hispanic Conservatives of Montgomery County (HCMC), who explained their mission to unite, inform, and energize the conservative Hispanic community in our county. They want to get more conservative Hispanics voting in Montgomery County.

In UNFINISHED BUSINESS, Alice announced that Lindsey Kasprzak designed new business cards for our members. There is a space for personal name, email address and phone number information. Alice has these cards available for all members.

In NEW BUSINESS, all committee members will have a presentation of their committee activities on boards for review by everyone at our April 28th general meeting. Alice asked for volunteers for our Hospitality Committee to be greeters at our general

meetings. TFRW has a new project to try to engage Republican women who aren't currently members of a Republican women's club. It is called the Postcard Project. Our club will be responsible for sending out 500 postcards to Republican women in our area in the next few weeks.

For our main PROGRAM we had a panel of three professionals in the education industry in Texas speak to us and answer important questions concerning the state of our children's education in Texas and the role that state and local organizations and parents play in this challenge. The panel included Will Hickman, Attorney and a Member of the State Board of Education District 6. Dr. Audrey Young, SBOE District 8 with a Doctorate in Education, has served on Advisory Committees for the Texas Legislature and the TEA Board of Trustees. Scott Moore, an ordained Methodist pastor, is a Trustee of the Conroe ISD. Their presentation was very informative.

ANNOUNCEMENTS included Montgomery County Republican Party Conventions on March 26th and the MCRW Board of Directors Meeting at Grace Church The Woodlands on April 7th. Adjournment was at 1:30 p.m.

Respectfully submitted,  
Bettie Moss  
Recording Secretary

## JULIA MORTON

Two elections are coming up next month. The first will take place on May 7 (Saturday) and the second takes place on May 24 (Tuesday).

The May 7 election is for non-partisan school board, MUD (Municipal Utility District), and city municipal races and issues. The deadline for registering to vote

in this election has passed - it was April 7. Early voting for this election takes place April 25-30 and May 2-3. Sample ballots may be found on the Montgomery County Elections website at [elections.mctx.org](http://elections.mctx.org). Do your homework to ensure you know what political leanings candidates in these races have, since these elections are non-partisan.

The May 24 election is the primary runoff election. You may register to vote by April 25 for this election if you haven't yet registered. Early voting takes place May 16-20. Again, sample ballots may be found on the Montgomery County Elections website, although they may not be posted yet. Texas election law requires voters to vote in the same party runoff election as they voted

in the primary election on March 1.

A good election calendar for Montgomery County may be found at [www.MontgomeryVotes.org](http://www.MontgomeryVotes.org). Questions regarding where to vote can usually be answered by visiting the Montgomery County Elections website or by calling them at (936) 539-7843.

These elections are very important! Many local and state decisions are made by the officials elected in these contests. Please make sure to vote in both of them!

*Julia Morton, Legislation Chair*

tinue to collect gift cards until that meeting. Thanks again for your support of this project.

## GIFT CARDS FOR GOD'S GARAGE

God's Garage will present our program at the May meeting. We will continue to collect gift cards to give to the ladies who receive automobiles from God's Garage.
