As we begin a new season, I am reminded once again of what a privilege it is to serve as your president. Montgomery County Republican Women is more than a club, it is a group of dedicated women who believe that **our voices, our involvement, and our votes matter.**

This fall is especially important. The decisions made in the months ahead will impact our communities, our state, and our country for years to come. Once again, it is the most important election of our lifetime and our very way of life is being threatened by the Democratic Socialists/Communists. We cannot afford to sit on the sidelines and hope someone else will do the work. **Each of us has a role to play.**

I encourage you to stay informed, attend our meetings, volunteer, support our Republican candidates, and most importantly, encourage your friends and family to vote. One conversation can make a difference. One volunteer can make a difference. **One vote can make a difference.**

I am particularly excited that all six Montgomery County Republican Women's clubs are coming together for our **Get Out the Vote Rally on October 14th from 6:00pm to 8:00pm at the Montgomery County Fairgrounds.** This is a wonderful opportunity to stand united as Republican women and remind our community that we are committed to electing strong Republican leaders.

I am so proud of MCRW and the energy, dedication, and patriotism our members bring to everything we do. Thank you for standing with me and for standing up for the principles we believe in.

Let's make this fall count. **Together, we will continue the work of keeping Montgomery County and Texas RED!**

Barbara

MONTGOMERY COUNTY REPUBLICAN WOMEN GENERAL MEETING August 27, 2026

President Barbara Eddleman called the meeting to order at 11:30 am. Suzanne Adams, Chaplain, gave the opening prayer and Pam Bertone, Americanism Chair, led the pledges to the American and Texas flags. President Eddleman invited the elected officials and candidates to introduce themselves. Barbara then welcomed everyone and encouraged anyone who wished to join our club to see her or Nancy Hicks, 2nd Vice President of Membership. President Eddleman welcomed members back from summer break with renewed energy and a strong sense of purpose as Montgomery County Republican Women prepare for the upcoming election season. She reminded all of MCRW's historic role as Montgomery County's first Republican Women's club and its longstanding commitment to service, civic engagement, conservative principles, and Republican candidates. As America celebrates its 250th anniversary, Barbara reminded members that preserving freedom requires active participation through volunteering, voter outreach, meetings, and candidate support. Her message encouraged everyone to recommit to the club's mission, continue its tradition of leadership, and work together to keep Montgomery County, Texas, and America strong – closing with an enthusiastic call to “keep Texas Red!”

Barbara shared exciting news ... that our club is partnering with our SIX Texas Federation of Republican Women sister clubs in Montgomery County for the **Get Out To Vote Event/Rally** for the midterm elections! She encouraged everyone to SAVE THE DATE as the event will be held on **October 14th from 6:00 p.m. to 8 p.m.** at the Montgomery County Fairgrounds – Exhibit Building 2. Local and state candidates will speak firsthand about what's at stake in 2026. There will be live music, a cash bar, and light snacks. T-shirts with the Texas Federation of Republican Women logo are available for purchase for \$12.00. Barbara went on to say that early voting starts October 19th and though Trump is not on the ballot, he is ... we must hold the line as Texas goes, so the nation goes.

- The minutes of June 25, 2026 were approved.
- The Treasurer's Report as of August 31, 2026 has been filed for Finance Committee Review.

Committee Reports:

- **Campaign Activities:** Pearl Maggio thanked and congratulated everyone for their campaign volunteer hours for 2nd quarter as the hours totaled 15,000, far exceeding hours from 1st quarter! Sheila and David Marler had the most hours with Kat following. She announced that the note cards were a good idea and therefore will be provided on each table to collect hours for 3rd quarter, at the end of September.
- **Legislation:** Karen Callanan reported that the Texas Data Center Audit is the hot topic as Governor Abbott has ordered the PUC and ERCOT to audit every data center currently in ERCOT's interconnection queue before any additional projects advance. For Texans, this means: 1) expect delays in data center approvals; 2) legislation action is likely in 2027; 3) executive authority is now part of the debate; 4) broader industries may be affected; 5) Texas' economic model – predictable laws, limited government, and free enterprise – remains central to policy discussion.
- **SD4 Update:** Kat Rummell, State Republican Executive Committeewoman reported that the SREC met briefly in which they approved committee appointments. Kat is on the Candidate Resource Committee (CRC), Grassroots Committee, and the Legislative Priorities Committee. She looks forward to attending the upcoming retreat, learning more, and bringing back additional

information and updates to MCRW. Kat is truly grateful for the opportunity to serve SD4 well!

- **Membership:** Nancy Hicks reported that we welcomed and acknowledged a new member, Valerie Attaya, bringing our club membership total to 167 members and encouraged all to continue to invite others to join! She also mentioned that Beverly and Jay Wright are the Member Spotlight article in the August Newsletter and she acknowledged this month's birthdays of those present. And finally, Nancy reminded everyone that renewals for membership begin November 1st and the club will have a social soon, which will be a perfect time to invite perspective members, more information to come.

Barbara announced that the Texas Federation of Republican Women is hosting the 2026 "Tribute to Women" on Saturday, September 19th at 11:00 a.m. at the Embassy Suites in Round Rock, Texas. All are invited to attend as our club will be honoring two outstanding women, Pearl Maggio and Alice Melancon, for their tireless hard work, dedication, and Republican spirit in making MCRW a success!

Lunch was served.

Barbara Eddleman recognized Kathleen Hamilton in awarding her a lifetime membership with MCRW for her leadership and all that she has given and done for MCRW and Montgomery County through the years! Kathleen was quite surprised, expressed her love for MCRW since 1993, and gave her heartfelt thank you to everyone. She received a standing ovation.

Program: Alice Melancon, 1st VP Programs, reminded members to mark their calendars for February 10th, the ABC's of Leadership training, hosted by the Lone Star Council of Federated Republican Women. Alice then introduced the speaker, District Attorney Mike Holley and the program, "Prosecution is Not One Thing: An Inside Look into the District Attorney's Office." Mike received a standing ovation for a great program!

Alice gave a recap of our club program lineup for the rest of the calendar year from September through December with no meeting in November, due to Thanksgiving. In September, Leslie Luttrell will speak about Ibogaine, the drug used to treat PTSD; in October, we will honor and salute our veterans and pack bags for Fisher House; and our December 3rd meeting will include our Christmas celebration with music of 1776, the installation of our 2027 Officers, and a recap of our year-end accomplishments!

Door Prizes were distributed by Becky Yeates and Joyce Koblin.

The meeting was adjourned by President Barbara Eddleman at 1:13 p.m.

AMERICANISM: PAM BERTONE

U.S. Revolutionary War Note
Pennsylvania ~ 1772

The Department of the Treasury was established on September 2, 1789, shortly after the ratification of the United States Constitution.

During the American Revolutionary War, the Continental Congress struggled to finance the conflict against Great Britain. It created financial offices and issued Continental currency, but the new nation faced serious debt and financial instability. Under the Articles of Confederation, the national government had limited authority to levy taxes, leading many leaders to believe that the new Constitution needed to give the federal government greater financial powers.

President George Washington appointed Alexander Hamilton as the first Secretary of the Treasury. Hamilton became one of the most influential figures in American financial history. He developed plans for the federal government to assume Revolutionary War debts owed by the states, establish national credit, and encourage economic growth.

Although controversial, Hamilton's policies helped bring financial stability to the young nation and laid the foundation for America's modern banking and financial system. He also supported the creation of the First Bank of the United States in 1791.

Over time, the Treasury Department's responsibilities expanded to include collecting federal taxes, managing government finances and debt, producing coins and paper currency, and enforcing financial laws.

Today, the Treasury remains one of the federal government's most important departments. It manages the nation's finances and federal debt, collects taxes primarily through the Internal Revenue Service, produces U.S. currency through the Bureau of Engraving and Printing and the U.S. Mint, and works to protect and strengthen the American financial system.

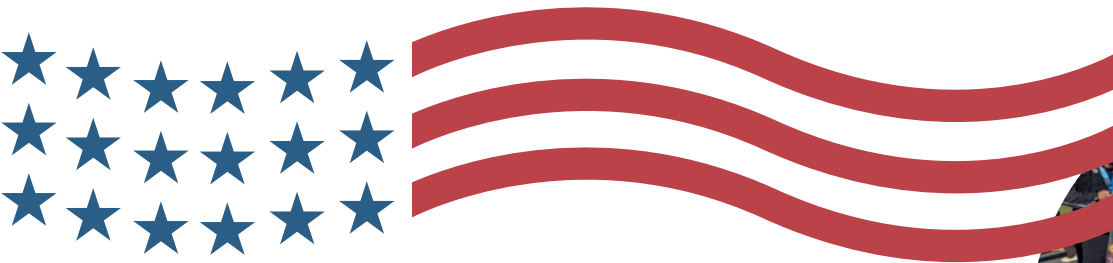

On August 13th, the Board of Montgomery County Republican Women unanimously voted to extend a Lifetime Membership to Kathleen Hamilton.

Kathleen served as President of Montgomery County Republican Women in 1993 and has continued throughout the years to be a respected leader and dedicated member of our community. She also served with distinction as Judge of the 359th District Court, earning the respect of so many through her integrity, wisdom, and commitment to service.

It is our privilege to recognize Kathleen for her outstanding leadership and years of service to our club and our community. Kathleen, we are honored to present you with this Lifetime Membership and grateful for all you have done for Montgomery County Republican Women and Montgomery County.

President: Jill Stucker

One of Jill Stucker's favorite life stories began aboard the private Learjet of legendary eight-time World Champion rodeo cowboy Donnie Gay. During the flight, Donnie learned that Jill was on her way to compete in the National Swimming Championships. As she stepped off the plane, he offered a bit of rodeo wisdom that has become a lifelong motto: "Bow your neck, hang on, and finish strong." Those words have guided Jill through every chapter of her life—from competitive athletics and a successful executive career to nonprofit leadership and public service. Today, they perfectly capture her commitment to leading Montgomery County Republican Women as we work to keep Montgomery County, Texas, and our nation strong, free, and red through the 2026 midterm elections and beyond. After proudly serving as Recording Secretary, Jill is honored to serve as the 2027 President of Montgomery County Republican Women. Grounded in her faith, devoted to family, passionate about our country, and proud to be an Aggie, Jill brings contagious enthusiasm, unwavering optimism, and a servant's heart to every leadership role. She is known for building strong teams, encouraging others, and leading with integrity, professionalism, and good humor.

Jill's professional career spans more than three decades in executive leadership within information technology and professional consulting during the explosive growth of the IT and dot-com era. Her work took her across the United States and around the world, leading complex initiatives and delivering strategic results. Before retiring, she answered a different calling, serving as Chief Programs Officer for a nonprofit organization whose work took her to developing nations around the globe. Those experiences deepened her commitment to servant leadership and strengthened her passion for helping others succeed.

Now retired, Jill considers it a tremendous blessing to devote her time, energy, and experience to serving Montgomery County Republican Women and advancing the conservative principles that make our community, state, and nation exceptional.

Family remains one of Jill's greatest joys. She is affectionately known as "The Best Auntie Ever (BAE)" and "GiGi Bear" to her beloved nieces, nephews, and grands. She also shares her love of music through her church's Music Ministry, and serves her community through the Daughters of the American Revolution (DAR) and the Philanthropic Educational Organization (P.E.O.), where she continues her lifelong commitment to education and women's opportunities.

A graduate of Texas A&M University with a Bachelor of Science in Agricultural Economics, Jill is excited to work alongside the outstanding women of Montgomery County Republican Women. Together, she looks forward to strengthening our organization, growing conservative leadership, supporting Republican candidates, and ensuring that Montgomery County continues to lead the way for Texas and our nation.

1st Vice President: Pam Stucker Bertone

Pam has consistently asserted that the whole world celebrates her birthday! Her due date was Thanksgiving, but she made her appearance on New Year's Eve, where her father expressed his delight at her arriving just in time to be a tax deduction! This explains why she has consistently maintained that the world celebrates with her!

She is a rare native Houstonian, born at Heights Hospital. Shortly after her first birthday, her father was transferred to Shreveport, Louisiana. It was here that her life underwent a significant transformation. At the age of eighteen months, she contracted polio and became a polio survivor!

Pam relocated with her family to Texarkana, Texas, and eventually they settled in Dallas when her dad became regional manager of Borden's ice cream. Her high school years were spent in Dallas. Her higher academic pursuits included attending Sam Houston State University, where she obtained both her Bachelor's and Master's degrees in Political Science. Subsequently, she embarked on a teaching career of 40 years, serving in the Aldine ISD, teaching for various junior colleges and mentoring a statewide internship program started by Texas A&M University. Notably, she spearheaded the development and sponsorship of numerous innovative programs within her high school, which had not been implemented before, such as the National High School Mock Trial Competition and the Model United Nations program.

In summary, her life can be characterized by her unwavering pursuit and achievement of her goals, consistently working diligently to attain those goals. She has embraced the opportunity to travel the world, sharing her experiences and joy with her daughter and two granddaughters. Pam and her husband, Steve, have been married for 53 years. Her hobbies include music, singing in the Chancel Choir at TWMC, reading, playing cards and the love of animals. Pam embraces God, family and country

2nd Vice President: Joyce Koblin

Once Joyce Koblin became a member of MCRW she immediately became active and is currently serving as Hospitality Chair. She strongly believes in the current administration of our county, state, and country and will dedicate her time and energies to keeping them “red”. One way to do this is to increase the membership of our club and work to support our government. Joyce retired from the oil and gas industry 1-1/2 years ago which has allowed her the opportunity to serve the Republican Party which she always wanted to do but didn’t have the time. She was introduced to the MCRW, became a member and has enjoyed working with this wonderful group of talented, dedicated women. She and her husband Bob have 3 children, 4 grandchildren and 2 beautiful great-grandchildren and currently reside in Montgomery. She spends her time reading, particularly early American history, and also cooking and baking for her family.

Nancy Hicks was born in Malvern, Arkansas moving to Houston, Texas after graduating with High Honors (Finance) from the University of Arkansas in 1979 (Go Hogs!) to join ExxonMobil. Nancy was very active in Division Order Analyst Associations, serving as President of the Houston Chapter and in several positions at the National level. She loved working at ExxonMobil for 34 years, and enjoyed the various opportunities provided to work in 28 countries. She moved back to Houston in 2004 and, after 40 years, can finally say she has found the place she calls “Home” – Montgomery County, Texas. She and her husband, Ed, moved to Del Webb Woodlands in 2019 where they spend their time enjoying their new neighbors, traveling and playing golf.

Nancy’s international work experiences made her cherish the benefits and rights we have as US citizens. She also realized she, too, would need to work to keep Montgomery County (and Texas) conservative and freedom-loving. By joining Montgomery County Republican Women (MCRW) in 2020, she can achieve many of her goals – supporting local charities, political education through monthly meetings and candidate support. She has served on the Board as Political Campaign Activities Coordinator, Treasurer and currently serves as VP – Membership. She loves our members and encourages them to volunteer. She looks forward to working with the MCRW ladies to keep Montgomery County, and Texas, RED!
